OVX/VKAT News

The students went to the K-5 grades at Concord and grades 5-8 at Gilman to talk about RED RIBBON WEEK. They showed the video “Red Ribbon” to grades 4-8 and showed “Dusty the Dragon” to students in grades K-3. They also played a few cooperation games with the students.

The OVX high school students had a “Ghost Out” on October 28th. They had a tear drop painted on their face, wore black, and had to remain silent for the rest of the day. They were representing the fact that every 17 minutes a person in the US dies due to an alcohol-related car accident.

The grade winners for wearing the most red during the kickoff for Red Ribbon Week are grades 2,3,7, and 9.

On November 9th three students from the Middle School and three students from the High School went to a VKAT/OVX leadership training at Lake Morey. The students attended workshops throughout the day. The students who went to Lake Morey were: Emily Regan from 6th grade, Taylor Call from 7th grade, Garrett Brown from 8th grade, and Kenyon McDonald, Callie Austin, and Sarafina Chamul from high school.

Starting the week of November 7th students in the OVX group will become reading buddies with the students in Pre-school, K and 1st grade. They will meet once a week to read together during the high school snack time or their lunch break.

November 18th is the Great American Smokeout. The VKAT in the 6th grade will begin their “I CAN BE SMOKE FREE” can drive. The cans collected will be donated to a food shelf. Please send in cans with your child, all donations are appreciated.
