

Town of Concord

Concord, VT 05824

Concord School Board

In an effort to follow the wishes of the voters of the Town of Concord, while acknowledging that some parents feel their child is best served by attending high school elsewhere and in view of the frequent yearly petitions to close the high school, in order to provide stability to the students and high school staff, and deter these frequent High School closing petitions, the Board is accepting tuition requests for high school students who are residents of the Town of Concord. The cost for tuition for all requests which are comparable in cost to Concord tuition, received by 6:00 p.m. on November 22, 2011, will be added to the school budget. If the budget is passed by the voters, the Board will grant tuition for those requests and the cost will be budgeted for the remainder of each student's high school years, up to but no more than four years. Each year, if the Board considers it beneficial to the town, new requests will be added to the budget in a separate line item. This process will be evaluated each year.

Respectfully, Concord School Board

M. Jaye Young, Clerk on the Board
